Temporary Suspension of Production Facility Operations at Consolidated Subsidiary in India
(Progress of Previously Disclosed Matter)

Nitta Gelatin Inc. (hereinafter “Nitta Gelatin” or “the Company”) hereby announces a progress report and future outlook with regard to the news release disclosed on March 21, 2024 titled “Temporary Suspension of Production Facility Operations at Consolidated Subsidiary in India.”

1. Progress Report

As notified on March 21, 2024, Bamni Proteins Ltd., a consolidated subsidiary of Nitta Gelatin, received an order from the Maharashtra State Pollution Control Board on March 13, 2024 to cease production and suspend operations of its production facilities on the same day. Due to the suspension of production, Bamni Proteins Ltd. has reduced its workforce as follows:

(1) Results of Workforce Reduction

- (i) Number of employees leaving Bamni Proteins Ltd.: 94
- (ii) Effective date: July 21, 2024

(2) Impacts on the Financial Results

Since this workforce reduction has already been recorded as a loss of 59 million yen associated with the suspension of production in the fiscal year ended March 31, 2024, the Company does not expect it to have a material impact on business results. However, the Company will promptly disclose any matters that may arise in the future that require disclosure.

2. Outlook for the Future

Bamni Proteins Ltd. is working to resume production by doing its best to complete improvements to conform to the effluent regulations of the Maharashtra State Pollution Control Board as quickly as possible. The timing of the resumption of production is not yet known at this time.

The impact on Nitta Gelatin’s financial results has been incorporated into the forecast of consolidated financial results for the fiscal year ending March 31, 2025 in the "Notice of Revisions to the Forecast of Consolidated Financial Results for the Fiscal Year Ending March 31, 2025" announced today.
